COUNTY AGENT COMMENTS

Tallahatchie — "Boll weevil trap catches well above levels in '92. Could use a rain."

Benton — "A full week of planting soybeans has allowed farmers to catch up on farm activities. Cotton and corn are growing well."

Webster — "Webster County needs a good rain; I thought I'd never say that this soon."

Monroe — "Waiting on rain to complete planting."

Copiah — "Moisture is very short. Grazing is short and crops are hurting for a rain."
